However, Denizens of "Zipping Zion" Experience Warm Weather Saturday.

SATURDAY'S RECORD.

Maximum temperature, 85 degrees.
Relative humidity at 6 p. m., 22 per cent.
Forecast: Sunday, fair.

It was a pretty warm day Saturday, and a great many people spent the afternoon at the lake, and so escaped the Turkish bath effect to which those who remained in town were treated. However, cooler weather is due to arrive in Salt Lake on long. A light frost has already been reported in northern Montana, and those who are on the streets late at night and very early in the morning notice that the atmosphere is beginning to herald the approach of fall.

Saturday's meteorological record at the local station of the United States weather bureau was as follows:

Temperature at 6 p. m., 85 degrees; maximum temperature, 85 degrees; minimum temperature, 56 degrees; mean temperature, 70 degrees, which is 2 degrees below normal.

Total excess of temperature since the first of the month, 12 degrees.

Total excess of temperature since January 1, 112 degrees.

Precipitation at 6 p. m., none; total precipitation since the first of the month, .25 inches, which is 6 of an inch above normal.

Total excess of precipitation since January 1, .261 inches.

ATTORNEY-GENERALS DISCUSS TRUST PROBLEM

BUFFALO, Aug. 28.—A convention of attorney-generals representing a dozen states between New York and California, closed today with an executive session. In discussing the problem of handling delinquent trusts, Vice President U. S. Webb of California said what had been accomplished was not the most encouraging feature of the fight against privileges but lay in the fact that public opinion had been awakened to the need of finding some way to control corporations which oppress or extort. The following officers were elected: President—Fred S. Jackson, Kansas. Vice president—U. S. Webb, California.

PACIFIC FLEET STARTS ON SIX MONTHS' CRUISE

Three hundred enlisted men for the fleet arrived today from Norfolk, Va., and were taken on the transports.

A San Francisco fleet will receive 200 more sailors and take on ammunition and September 5 will begin the voyage to the Orient.

Leaving Manila the cruisers in pairs will visit various Chinese and Japanese ports and will assemble off Yokohama before June 19, 1910, when the return voyage to San Francisco will be begun.

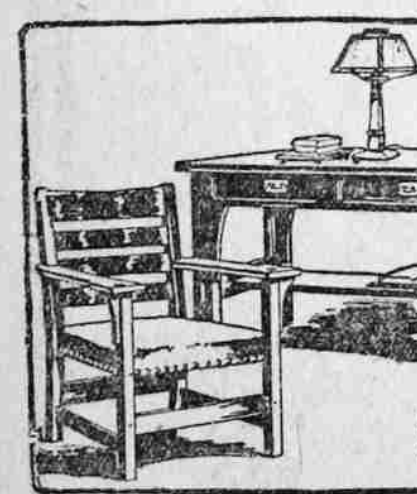

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

ALL RUN DOWN.

I Was Just Miserable When I Began Taking Peruna.

To be all run down in health is worse than to be poor.

To be strong and well, full of courage and vitality, is better than to be rich.

Peruna has converted a multitude of discouraged people to prosperity.

For instance, take the case of Mrs. Charles Anspaugh, of Pierceton, Ind. In a few words she tells a wonderful story.

"Peruna has been a godsend to me. I can feel safe in saying that it saved my life, as I was all run down and was just miserable when I commenced taking your Peruna, but am on the road to recovery now. I cannot thank you too much."

Take home a copy of LIGHTS AND SHADOWS OF MORMONISM. This work is a complete history of the Mormon church, touching all phases of its development, religiously and politically. It also includes a detailed account of the Mountain Meadows Massacre. For sale by all news dealers and at The Tribune office. Price \$1.25.
